We are an independently operated before and after school facility who also run a holiday club.

### Snacks for hungry children:

We provide a breakfast in the morning such as cereals, toast and fruit and an afternoon snack which could be anything from homemade scones with jam and cream to ham and cheese wraps. We have plenty of fresh fruit and vegetables and drinks readily available as well. In addition to our own exclusive use room within St Teresa's Catholic Primary School we also have access to the school playgrounds and the playing field.

### Games for active children:

We always plan lots of fun activities and keep all the children entertained. Our staff are on hand to supervise at all times whilst the children have fun. Have a look at our Facebook page to see all the exciting things we get up to as well as reviews from other parents. [www.facebook.com/schoolsoutatstteresas](https://www.facebook.com/schoolsoutatstteresas) or follow us on instagram.

### Regular childcare sessions:

If you want to book in for regular sessions that's fine, let us know what you need and we will help you to access Scopay, our online booking and payment system.

### Flexible childcare:

If you work shifts we can accommodate, if you don't need regular sessions you can call, text or message us anytime to book your child in. You can even contact us on the same day you need us!

### Holiday care:

We know childcare during school holidays can be difficult. We offer a full day service during holidays and accommodate regular sessions as well a more flexible service if required. During the holidays our service extends to many of the local schools as well.

We are registered for children from 4 years old so they can even attend the summer before they start school.
